Our educational work should have purpose: to elicit change in our students, to make them grow in wisdom, to help them undergo a transformation, to provide them with knowledge, with new feelings and at the same time, achievable ideals. Many institutions promote the formation of wolves more than brothers and sisters by educating their students to compete and succeed at the expense of others, with only a few weak ethical standards.

Pope Francis.

Welcome to our Visitors: and thank you for joining our celebration. We hope you enjoy your time on the Yorkshire Wolds. Young children are welcome to join in the Children's Liturgy at the 10am Mass. It helps the parish if tax-paying visitors would use the small white Gift Aid envelope (*found at the back of the church*) for any offering you wish to make, only use these envelopes if you are Gift Aiding your offering, remember to put your name and address on the envelope.
